

## Year 3 & 4 Classroom

Dear Parents,

Welcome to the Year 3 & 4 Classroom, your partner in your child's educational journey. We recognise the essential role you play in nurturing your child's learning, and we're here to provide you with the tools and resources to make it a rewarding experience. As you embark on this educational adventure with us, you'll gain access to an array of enriching materials designed to empower your child's growth and development:

### Word Reading & Reading Comprehension

- We cover word reading and reading comprehension for the book band colours: **lime and brown**.
- Check out Read Mastery, a comprehensive reading course that guides your child through step-by-step reading objectives. You have the flexibility to choose which objectives to focus on, tailoring the learning experience to your child's unique needs.

### Writing & Handwriting:

- Check out our WriteMastery course on the Gold plan for more support with writing.

### Spelling, Grammar & Vocabulary:

- Build up from the bronze plan.
- Enrol your child in our year-long spelling course, priced at £19.99, designed to fortify spelling skills and expand vocabulary.
- Enjoy interactive spelling quizzes and games, powered by Spellzone, with complimentary access until April 2024 and 50% off thereafter.
- Complete the KS2 grammar test to see if there are gaps in your child's learning. Usually £9.99

### Maths:

- Support your child's mathematical journey with our annual maths booklets for Year 3 & 4.
- Avail of a 50% discount on ConquerMaths, now priced at £20 until April 2024.

### Science:

- Dive into science with printable flashcards to create at home, establishing the foundations of scientific knowledge.
- Our colourable science book reinforces essential scientific concepts and sparks curiosity.
- Benefit from online lessons led by experienced home-schooling parent, drawing from Apologia Science.

### History & Geography:

- Travel through time with our historical flashcards and colouring books, breathing life into historical events and figures.
- Embark on a geographical adventure through interactive resources and maps, fostering a love for exploration and cultural understanding.
- Utilise printable flashcards to enrich your child's understanding of history and geography.

- Our colourable history and geography book further ignite curiosity and understanding.
- Access online lessons facilitated by knowledgeable home-schooling mothers, inspired by Apologia Science.

Extras (Art, Music, PE, etc.):

- Let us know your preferences and interests, and we'll tailor additional resources to suit your child's passions.

As parents, you have the power to actively engage in your child's education and create a nurturing learning environment at home. With our extensive resources and guidance, you'll nurture a lifelong love for learning and ensure your child's academic success. Join us on this remarkable educational journey, where together, we'll make learning an adventure like no other!

Warm regards,
